THOUGHTS FROM PASTOR BRAD PHILLIPS

Deuteronomy 4:6-9

6 Keep them and do them, for that will be your wisdom and your understanding in the sight of the peoples, who, when they hear all these statutes, will say, 'Surely this great nation is a wise and understanding people.' 7 For what great nation is there that has a god so near to it as the LORD our God is to us, whenever we call upon him? 8 And what great nation is there, that has statutes and rules so righteous as all this law that I set before you today? 9 "Only take care, and keep your soul diligently, lest you forget the things that your eyes have seen, and lest they depart from your heart all the days of your life. Make them known to your children and your children's children—

We are so thankful to be able to partner with you in being obedient to the Lord's command of teaching our children! We value love, honor and respect as we work together in the great endeavor of educating students in the Lord.
Excellence and Effort are a couple of key words for Harvest Christian Academy. We strive for excellence.
Romans 16:19 says "Be excellent at what is good and innocent of evil."

Excellence maybe be understood as being the best? I believe excellence is more about doing our best, following Christ's example of doing his best for us. Excellence isn't about winning the championship or getting an "A". Excellence is more about being
"Steadfast, unmovable always abounding in the work of the Lord for in as much we know that our labor is not in vain." I Corinthians 15:58

"We are what we repeatedly do. Excellence, then, is not an act, but a habit." – Aristotle

I would encourage us that "Excellence" is an outcome that is produced when we partner with God and make the effort necessary to allow God to show himself strong on our behalf. We become faithful in our faith.

Someone said "90% of life is showing up." I'm not sure about the percentages but being there might be underrated. Mary and Joseph showed up and look what happened.....Merry Christmas!
