NAME OF APPLICANT:	STUDENT(S) APPLYING FOR ENROLLMENT IN HCA:

Greetings Pastor:

Thank you for taking the time to fill out this reference form. The above applicant is applying for enrollment into our school program. Along with educating K-12th grade students, we are a 100% discipleship program. We are fully committed to helping today's youth develop a solid foundation in their relationship with Christ—enabling them to stand firm in today's increasingly antichristian worldview environment. Our mission is to raise up confident Christian leaders in partnership with families who are in-line with this mission. We feel it is important that home, church, and school are all in accord, working together towards this endeavor. We are not a reform school for troubled students. While this is a worthy ministry, we have found that combining this ministry with our discipleship focus has been self-defeating. As a result, we have adopted a screening process for acceptance into our program. Your input is valued and will be taken into consideration as we prayerfully consider each applicant. Thank you for your time. Please send this form directly to our school (address noted above). Partners in Christ, Pastor Ben Potter
