RAISING UP CONFIDENT CHRISTIAN LEADERS

Harvest Christian Academy Purpose

Founded in 1983, Harvest Christian Academy exist for the purpose to bring glory and honor to the Father through Jesus Christ. We want to present each student with the life transforming Gospel of Jesus Christ. We believe the most important thing that we can do is give children the opportunity to receive Jesus Christ as Savior and Lord.

We want to see every student be all that God created them to be. We will help them achieve this through a loving and caring environment where each student is valued. We believe that learning is a discipline. We will be firm, fair, and consistent with discipline at Harvest Christian Academy. We believe in high academic standards and will encourage students to achieve those standards.

DRESS YOUR KIDS WARM

Winter is coming
It's sure to be so!
Bring your coat to the school
To keep warm in the snow.

Bring gloves and your boots,
Scarves and a warm hat
For the weather is tricky
Just ask your cat!

SNOWBOARDING FACT

Snowboarding was called **Snurfing**.

You read that right. Snowboarding was invented in 1960 by an engineer living in Muskegon, Michigan who went by the name of Sherman Poppen. He strapped two ski's together and used rope for steering.

Needless to say, the fellow looked like he was surfing and so the wife blessed the act with the name Snurfing which combined the words 'Snow' and 'Surfing'.

Luckily for us, other snowboarding companies such as Burton saw the potential of the sport and made it more desirable by changing up the board which leaves us with the design that we use today.
