RAISING UP CONFIDENT CHRISTIAN LEADERS

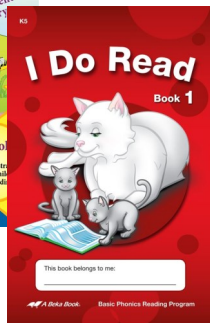

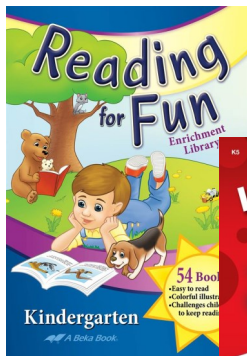

## KINDERGARTEN LEARNING PROGRAM

A FOUNDATION THAT WILL LAST A LIFETIME

WE WILL NEVER LEAVE THE BASICS

Since 1983, Harvest Christian Academy has been helping children have fun while learning the BASICS—reading, writing, numbers—and so much more! Others may be trying to come back to the basics, but we never left!

### A GOOD START FOR YOUR CHILD

Besides reading, your child will learn simple arithmetic and good writing skills that will provide a head start in elementary and social skills through daily experience.

Affirming **Gifts** in Children  
Discipleship Ideas (Sept/Oct/Nov 2018)  
**INVOLVE THEM**

Teachers who take the commission of Ephesians 4:11,12 seriously are raising an army of excited, serving saints. Children want to be trusted with ministry and need to be prepared. Our goal is to involve the children in ministry. If it is picking up crayons their gift may be serving. Another child always jumps at the chance to pray for his classmates. Perhaps he is an intercessory prayer warrior waiting for your encouragement. We need to pray for God's guidance in discovering the children's gifts.
