HCA TEACHERS LOVE TEACHING YOUR KIDS

	BRADEN PHILLIPS JUNIOR HIGH HIGH SCHOOL	AMANDA WASHINGTON PRESCHOOL	JUSTINE KEYS PHYSICAL EDUCATION	NANCY FREE-KLEIN FINE ARTS
What is your favorite thing about teaching?	Getting to invest in students everyday.	My unfiltered tiny humans.	Getting to know each student as a unique individual and interacting with the kids daily.	Being able to use Biblical precepts during challenging times in class. Seeing their eyes light up when they realize they CAN DO IT.
What do you feel is your biggest win so far this year?	Seeing students grow in their relationship with God.	Every random hug is a win for me.	So many students have grown this year in their effort and attitudes. While not everyone loves PE, overall they have done a great job with working hard in class.	Getting students that say they "can't" do something to keep trying and then seeing improvement.
What are some areas that your students have flourished in this year?	They have grown in their ability to think critically. They also have developed their ability to hear God.	The students have learned to love one another and how to apply student skills.	I feel blessed to watch the students live out 1 John 4:7. They truly excel at loving others and lifting one another up.	When some finish an art project quickly and are willing to help others that are behind.
What is an experience that your students have really enjoyed this year?	My students enjoy going on Treasure Hunts.	They love our daily movement time.	Handball was a new unit we did this year and the students really enjoyed it.	Most students enjoyed learning to play the recorders and start to read basic music.
Any other stories or comments?	Where's Korban?	Singing while on our shuttle rides will be a core memory for me forever.	It is such a blessing to work in a Christ centered school. Not only do we get to teach and be a part of these kids' lives, but we get to do it on a foundation of faith.	It is special to see at least a few students in each of my grade levels being sensitive to others feelings.

HARVEST HAPPENINGS

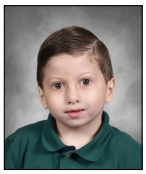
STUDENTS OF THE MONTH

PRESCHOOL

Elie Hays

Always Improving
Excitement For School

PRESCHOOL



Graysun Clark

Sharing Comes Easy
The Whole Class Loves Him
