THOUGHTS FROM LEAD TEACHER LISA PHILLIPS

Invest! That is my word for 2025. Invest: to devote (one's time, effort, or energy) to a particular undertaking with the expectation of a worthwhile result. I love that it is a verb! It requires action. The word invest tends to make us think of financial matters. We put our money into something hoping to get a profit. I challenge you to look at it as a sacrifice of time, money and talent that you invest in others. This eternal investment will reap a great harvest for the kingdom.

As I look to a new year with all the possibilities and opportunities, I want to be intentional. I want to be intentional about investing in my students, staff, friends and family. What does that look like? It looks like time and effort. It looks like pouring into people and valuing them. It looks like storing up treasures in heaven not on earth. "Therefore, my beloved brothers and sisters, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labor is not in vain." 1 Corinthians 15:58.

Who will you invest in this year?
