THOUGHTS FROM PASTOR BRAD PHILLIPS

Dear Parents,

This last week I was able to experience a completely different culture. I stepped out of my normal culture at HCA and stepped into the culture of hunting deer. (The scenery was wonderful) These two cultures are extremely different.

Culture is defined as the shared beliefs, values, customs and behaviors of a group of people.

The culture of Harvest Christian Academy is one of Love and Respect. Love is choosing one another just as God through Jesus Christ has chosen us. Respect in the Greek literally means "to place a great value or high price on something", just like God has upon us.

What we value becomes our culture. We value people. We value love and respect. Thank you for partnering with us in the culture of the Kingdom of God.

With much love and respect, Brad Phillips,
Harvest Church – Lead Pastor
