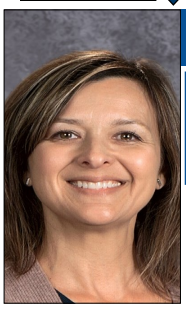
NEW LOOK! NEW YEAR!

Time to Flourish HCA PSALM 92: 12-13



FROM MRS. PHILLIPS

Psalm 92:12-13 *"Those that be planted in the house of the Lord shall flourish in the courts of our God. The righteous shall flourish like a palm tree."*

We are excited to start the 24/25 school year with a new theme. The theme we chose is ***Flourish***! The definition for the word flourish is to grow or develop in a healthy or vigorous way, especially as a result of a particularly favorable environment. It's our heart's desire as educators and Christ followers to see your student(s) flourish! We want to see students flourish, physically, emotionally, spiritually, and academically.

Lisa Phillips
