**Let's Build Together!**

We believe that we are members one of another as the Body of Christ according to Romans 12:5. We are committed to one another! We are committed to the Spirit of God, The Word of God and the Church of God and His kingdom and His will being done on earth as it is in heaven.

As members of Harvest Church, we choose to be accountable to one another in the Kingdom of God. This is a mutual relationship of the Body of Christ. This is community, fellowship and love for one another.

We consider this the "Nehemiah principle". Simply stated we build one another up and protect one another as the body of Christ. When Nehemiah was building the wall, they built with a sword in one hand for protection and a trowel in the other hand for the work that was before them.

Would you prayerfully consider committing to the fellowship of believers in relationship with God and one another?
