What a Blessed year we've had

Dear Parents,

We are always amazed at how fast each school year seems to go! It doesn't seem that August 29, 2025 was very long ago!

We have been so blessed to walk with you and your students this school year! You have amazing and wonderful children!

We have emphasized Love, Honor and Respect as core values for the culture at Harvest Christian Academy. It has been a growing experience for all of us.

We have learned that God has a plan, purpose, process, provision and privileges. What a blessing it is to walk in this. God's plan is the best plan for our lives. His purpose is the highest calling of our lives. His process is how he conforms our lives. (Sometimes this is painful!) His provision is our assurance that God will always provide. His privileges are his blessing and favor that he bestows on us when we love and obey him.

We are looking forward to our 44th school year and anticipating God to do great things in our hearts and the hearts of our students!

May God richly bless you!

Pastor Brad Phillips
