## Harvest Christian Academy Purpose

Founded in 1983, Harvest Christian Academy exists to bring glory and honor to the Father through Jesus Christ. We want to present each student with the life transforming Gospel of Jesus Christ. We believe the most important thing that we can do is give children the opportunity to receive Jesus Christ as Savior and Lord.

We want to see *every* student be all that God created *them* to be. We will help them achieve this through a loving and caring environment where each student is valued. We believe that learning is a discipline. We will be firm, fair, and consistent with discipline at Harvest Christian Academy. We believe in high academic standards and will encourage students to achieve those standards.
